## **Done & Dustless R3<sup>™</sup> Max Dustless Drilling system**

## **Speed!** Reliability! Safety!

The Ramset<sup>™</sup> Dust Extraction system removes the dust at the point of origin for faster drilling & anchor installation, improved chemical anchor bond and unsurpassed dust suppression.

- Reduced health risks through the removal of airborne dust
- Safe, secure chemical anchoring due to effective dust removal
- Improved worksite productivity due to no hole cleaning
- Faster drilling speeds through reduced dust friction
- Extended drill bit life from the robust Tri-Cutter & Y-Cutter profile design
- No jamming when hitting rebar
- Universal and flexible application with all SDS-Max Hammers and professional work site vacuum cleaners

Part No.	Туре	Size (mm)	Hole Depth (mm)	Drill Length (mm)
DDEM14400	U3Max	14	400	600
DDEM16400	U3Max	16	400	600
DDEM18400	R3Max	18	400	600
DDEM20400	R3Max	20	400	600
