

TrakFast™ 800 Plus

The Speed You Need

 **Ramset™**

Work smarter and maximise your productivity with the improved Ramset TrakFast 800 PLUS.

Ramset™ TrakFast™ 800 Plus System Overview

Designed for the quick and safe installation of steel partitioning track, pest control mesh and formwork systems.

With an additional 15% (or 500 shots) per battery charge while remaining a light 3.8kg, the more streamlined design and excellent line of sight allows for easy access in awkward spaces. Together with the 50 pin magazine, you can take your productivity to a new level.

Tool-less Adjustment
Easily set depth of drive

Massive 100J power
Consistent fixings even in extreme applications

Minimise Dust Exposure
Mitigate drilling and drastically reduce the risk of dangerous dust

Removable Support Leg
Ensures tool is at 90° to work surface for optimum fixings

Accessories

Easily removable fastener guide, magazine, optional 20 pin magazine for tight spaces

The System

Great Line of Sight

Slimline nose design enables great sight lines

Greater Tool Clearance

Allows the tool to fit in close to edge applications

Stop & Go Technology

Power saving feature isolates battery when tool is not in use

Electronically Controlled Fuel Injection

Ensures consistent power in a wide temperature range

Lithium Battery

Fast charge, up to 3,500 shots between charges

Low Maintenance

Designed to work in all Australian conditions

Fuel and Battery Gauges

Convenient LED display to help avoid running out of battery or gas

and
azine

The Specs

The Ramset TrakFast 800 Plus delivers fast, consistent and reliable performance while minimising exposure to concrete dust.

Tool Specification

Weight According EPTA (Kg)	3.8 kg (with battery)
Net Depth Dimension (mm)	309 mm
Net Length Dimension	407 mm
Net Width Dimension (mm)	113 mm
Power (Impact Force)	100 J
Magazine Capacity	50 fixings
Actuation Force	4.5kg
Fuel Cell Capacity	750 shots appx
Battery Charge Capacity	3500 shots
Operating Temperature Range	-15°C to +49 °C
Fixings Per Hour	1000 fixings
Fixings Per Sec	2 fixings
Fastener Length Range	15 – 40mm
Vibration (EN ISO 8662-11) HAV	4.4m/s ²

Heavy duty
carry case

TrakFast™ 800 Plus System Product Codes

Part No	Description	Order Qty
TF800PLUS	TrakFast™800 Plus	1
019337	Pulsa 800/800 Plus 20 Pin Magazine	1
