

TrakFast™ C-Plus®

Fast and Compact

The Ramset™ TrakFast™ C-Plus® joins the crew as a lighter, more compact cordless gas-powered tool designed to get into hard-to-reach places with comfort. Supported by 95J of power, the pins will pierce into concrete, masonry and steel without fuss ensuring you maintain productivity onsite.

Ramset™ TrakFast™ C-Plus® System Overview

Powerful yet compact

One of the lightest but most powerful gas nailers on market with 10,000 shots per charge as standard and easy access into tight spaces.

Save Money and Time

Faster installation than traditional methods of fixing, removing the need to drill and plug.

Safety without Compromise

Reduce hand/arm vibration & dust by mitigating the need for drilling.

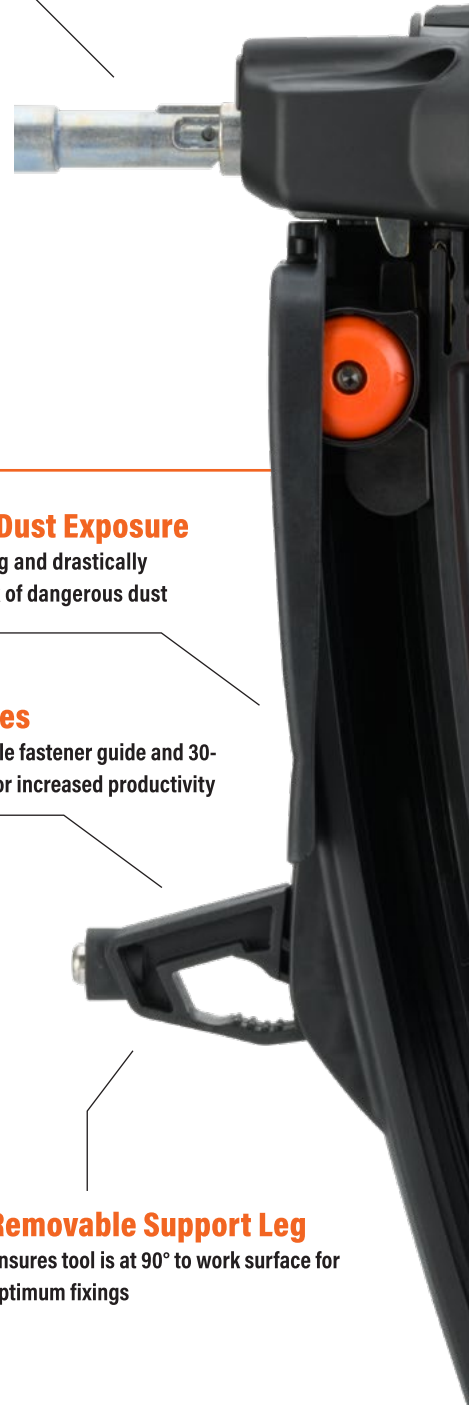

95J power

Consistent fixings even in extreme applications

Tool-less Adjustment

Easily set depth of drive

Minimise Dust Exposure

Mitigate drilling and drastically reduce the risk of dangerous dust

Accessories

Easily removable fastener guide and 30-pin magazine for increased productivity

Removable Support Leg

Ensures tool is at 90° to work surface for optimum fixings

Great Line of Sight
Slimline nose design enables great sight lines

Greater Tool Clearance
Allows the tool to fit in close to edge applications

The System

New Top Cap for easy cleaning

Depth of Drive Adjustment provides a quick and easy change of penetration depth.

Low Maintenance
Designed to work in all Australian conditions

Soft Grip Handle
For comfortable operation

Electronically Controlled Fuel Injection
Ensures consistent power in a wide temperature range

Lithium-Ion Battery
Fast charge, up to 10,000 shots between charges

Stop & Go Technology
Power saving feature isolates battery when tool is not in use

Fuel and Battery Gauges
Convenient LED display to help avoid running out of battery or gas

Belt Hook Shape
Allows for 180° rotation

The Specs

Work More and Charge Less

Innovative gas technology gives 10,000 shots per battery charge.

The Ramset™ TrakFast™ C-Plus® is designed to shoot down steel track and partitioning with ease, and is 8x faster than traditional installation methods. Your safety is assured with reduced dust and vibration.

The TrakFast C-Plus delivers high performance every time and it will get the job DONE.

Tool Specification

Weight	3.4kg (with battery)
Net Depth Dimension	315 mm
Net Length Dimension	345 mm
Net Width Dimension	112mm
Power (impact force)	95 J
Magazine Capacity	30 Pins
Actuation Force	4.2kg
Fuel Cell Capacity	750 shots apprx.
Battery Run Time	10,000 shots / charge
Nail Length Capacity	15-27mm
Operating To	-15°C to +49 °C
Actuation Stroke	15mm
Fastener Length Range	15 to 27mm in strip
Vibration (EN ISO 8662-11) HAV	4.9 m/s ²

Heavy duty
carry case

TrakFast™ C-Plus® System Product Codes

Part No	Description	Order Qty
TFCPLUS	TrakFast™ C-Plus®	1
019336	Li-Ion Battery	1
018546	All-in-one Li-Ion Battery Charger	1
019891	Magnetic Washer Adapter for TFCPLUS	1
B205544L	Gas Tool Degreaser and Lubricant	1

Part No	Description	Length	Order Qty
---------	-------------	--------	-----------

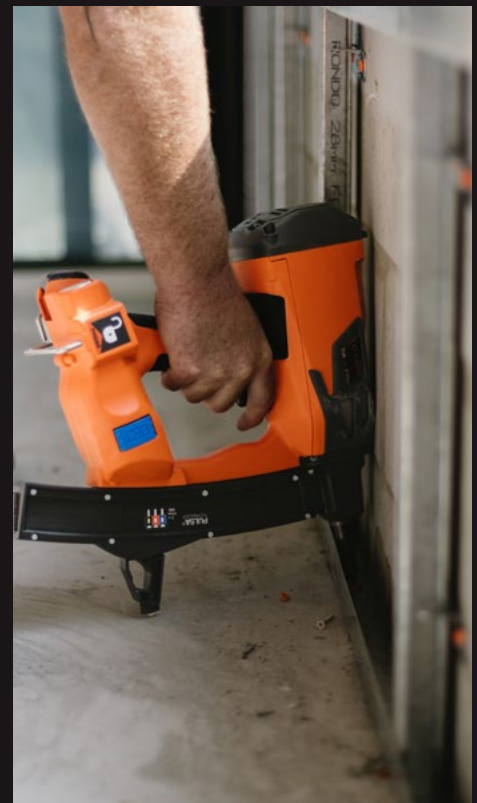

Steel pins for standard concrete fixing

P8C620	Standard Concrete Pins	20mm	500
--------	------------------------	------	-----

High performance pins for steel, hard & pre-stressed concrete

P8HC615	Premium Hardened Concrete Pins	15mm	500
P8HC617	Premium Hardened Concrete Pins	17mm	500
P8HC622	Premium Hardened Concrete Pins	22mm	500
P8HC627	Premium Hardened Concrete Pins	27mm	500

Comes in 10-pin strip collation with 1x P800 Fuel Cell
